

§ 960.600

(Approved by the Office of Management and Budget under OMB control number 2577-0185)

§ 960.509 Special rent requirements and other terms and conditions.

The HA shall lease units to Officers under a lease agreement that is consistent with the requirements of this section and 24 CFR part 966. The requirements of this section shall take precedence if there is any inconsistency between them and 24 CFR part 966.

(a) *Reasonable rent.* The lease shall provide for a reasonable rent, which may be a flat amount not related to the Officer's income. The HA should attempt to establish a rent that will provide an incentive to Officers to reside in the units but that is also consistent with the limited loss of income requirement of § 960.507(a)(4)(ii) of this part. As required in § 960.507(a)(1) of this part, the plan must state facts and circumstances (such as, the rent that would ordinarily be charged for the unit, the HA's annual maintenance cost for the unit, the degree of difficulty in attracting Officers to reside in the unit, the extent of the crime problem in the development, and the anticipated benefits of the Officer's presence) that demonstrate the reasonableness of the rent amount.

(b) *Continued employment.* The lease shall provide that the Officer's right of occupancy is dependent on the continuation of the employment that qualified the Officer for residency in the development under the plan. The lease also shall provide that the Officer will move out of the leased unit within a reasonably prompt time, to be established by the lease, after termination of employment.

§ 960.511 Applicability of the annual contributions contract; effect on the Performance Funding System.

(a) *Annual contributions contract.* Except to the extent that eligibility requirements are exempted under § 960.505 of this part, public housing units occupied by Officers in accordance with a plan submitted and approved under this subpart will be subject to the terms and conditions of the annual contributions contract (ACC) between the HA and the United States of America. This subpart does not override any of the terms and conditions of the ACC except insofar as they are inconsistent with the provisions of this subpart.

(b) *Performance funding system.* For purposes of the operating subsidy under the Performance Funding System (PFS) described in part 990, subpart A of this chapter, dwelling units allocated to Officers in accordance with this subpart are excluded from the total unit months available, as defined in § 990.102 of this chapter. Also for purposes of the operating subsidy under the PFS, the full amount of any rent paid by Officers in accordance with this subpart is included in other income, as defined in § 990.102 of this chapter. HAs may receive operating subsidy

24 CFR Ch. IX (4-1-00 Edition)

for one unit per housing development to promote economic self-sufficiency services or anti-drug programs, including housing police officers and security personnel. An HA may request consideration of such units in its calculation of operating subsidy eligibility through the appropriate local HUD Office.
